Online Banking allows you to view account balances, view account activity, download account activity, view your prior statement, request stop payments, and perform account transfers between accounts with identical signers. Account transfer capability is limited to Checking, Savings, and Money Market Accounts. Loans, Overdraft Protection, and Certificates of Deposit are not eligible for transfers. See Disclosure Statement for transfer limitations.

Please list the account numbers, the accounts to be used for Bill Pay, and the Primary account for services. The Primary account must be a checking account and will be used for any fees or other amounts due the Bank in connection with this service.
